JOINT STATEMENT
by Foreign Affairs Committee Chairs On Supporting Ukraine

We, the Chairmen of the Foreign Affairs Committees of the Polish, Czech and Ukrainian parliaments:

meeting in Kyiv to discuss the current situation in connection with the armed aggression of the Russian Federation against Ukraine;

noting Russia's violation of the Conventions on the Prevention and Punishment of the Crime of Genocide (CPPCG), on the Protection of Civilian Persons in Time of War, on the Laws and Customs of War on Land, and on other international agreements and treaties;

condemning the mass killings by the Russian military of the Ukrainian population in the cities of Bucha, Irpin, Mariupol, the urban-type settlements of Borodyanka and Gostomel, and many other settlements in Ukraine;

supporting the heroic defense of Ukraine, its Armed Forces and the entire population of the country from the regular army of the Russian Federation;

and taking into account the above, we make the following joint statement:

1. We call on all democratic civilized countries of the world to urgently resolve the issue of providing the Armed Forces of Ukraine with sufficient heavy weapons, including artillery, tanks, armored vehicles, air defense systems, as well as the necessary ammunition;

2. We appeal to all the civilized democracies of the world to further strengthen and expand their sanctions policy, taking decisive steps to further isolate Russia politically and economically;

3. We call on our allies and partners to provide all necessary procedures to properly document the ongoing war crimes committed by the Armed Forces of the Russian Federation in Ukraine in order to bring Russia to international criminal responsibility;
4. We emphasize that the world community has already to work actively on the preparation of a plan for Ukraine's economic revival in order to begin its implementation the day after Ukraine's victory in the war launched and being waged against it by the Russian Federation;

5. We emphasize that the European Union and its Member States should work on Ukraine's accession to the EU as soon as possible;

6. We state that Ukraine continues to need humanitarian assistance and sincerely hope to increase its volume;

7. We express our great gratitude to the entire democratic world for the aid, support, and assistance provided to Ukraine in its fight against Russian aggression.
